**M/s Isfahan Steel Company
Iran**

December 13, 2011

Dear Sir

We are pleased to note that you have an requirement for Acid / Alkali resistance Tile / Brick lining work at your unit.

In this connection, we are pleased to introduce ourselves as a leading manufacturers / contactors for such work, with 50 years' experience in this field. We commenced production / execution of such works since 1961, in collaboration with PRODORITE, UK.

We carried out lining work at almost all steel plants in India & the major companies served by us, is as under.

- BOKARO STEEL PLANT
- BHILAI STEEL PLANT
- TATA IRON & STEEL
- INDIAN IRON & STEEL
- JINDAL STEELS
- BUSHAN STEELS

We also supplied materials & executed jobs at Iran also. (Our Mr. Azrbakht Pouria can furnish you with details)

We can supply materials to you also, through our applicator at Tehran, Iran. They can carry out the application on their own, with our support, to your satisfaction & with guarantee.

Our applicator at Tehran is : **M/s Azaran Poushesh Baspar Co. Tehran, Iran**

We understand that our Mr. Azarbakht Pouria is calling on you soon, to discuss & finalize Orders in his / our favour. We would request you to extend full support to our Mr. Azarbakht Pouria.

Please visit our website www.murugappa.com ,to know about our Group (Prestigious Murugappa Group with turnover of US \$ 3.8 billion)
